Sub: Contract Extension of Second Chance Education with the Joint Venture Partners

Thank you very much to you and your team for participating in the national level annual learning sharing conference at 'The Palace' resort on 7 & 8 April 2018. Through you, we would like to convey our heartfelt thanks to the Honourable Secretary and Additional Secretary - Ministry of Primary and Mass Education (MoPME) for their valuable participation in the conference. We also would like to convey our gratitude to Director General and Director Planning - Bureau of Non-Formal Education (BNFE) for their meaningful participation in the event. The participation from key Government officials has enriched the discussion.

In the conference, the way you all have expressed your satisfaction regarding the nine month long pilot program of Second Chance Education (SCE), has inspired us. All of your opinion regarding the extension of SCE and your faith on working with this consortium (BRAC-DAM and SCI) is very welcome. The satisfaction expressed by the Honorable Secretary and his proposal to continue the program with similar financial and operational modalities for next one year, is very positive and welcome.

We the Joint Venture Partners immediately after the conference met and decided in principle to agree with the conditional proposal of the Honorable Secretary - Ministry of Primary and Mass Education (MoPME) regarding continuation of SCE program.

The learners of the ongoing SCE program will complete their first level/grade by end of May '18. Since our contract with you for the pilot program will be ending on 20th June '18, we need to start the process for further contract extension. This will allow us to run program activities smoothly so that children of the current program can start their next grade education in June 2018 without having any break. We would like to request you to advise us on the next steps for the process of contract extension for the ongoing SCE.

We again would like to express our heartiest gratitude to all of you for your active participation and thanks you for your decision in favour of the learners of ongoing SCE.

Best regards,

Rafiqul Islam Shathy
